It will be included in the back-to-school calendar for school year 2013-14. • We should continue to focus on and accelerate efforts toward parent involvement in all the Title I schools • The Title I brochure has been updated and was well received by the auditor. It has been added to the Title I websites. They will be available at each school including a Spanish version and including the language help phone numbers. • The auditor visited two schools – Forest and Sacred Heart, and each received praise for documentation and knowledge of program requirements. |
| 3. Family Involvement Survey | <p>Gayle presented a new general parent survey, one that was obtained during the pre-audit; the group recommended a few changes:</p> <ul style="list-style-type: none"> • Delete survey questions 9, 10 and 11. • Re-word survey question number 1 to read "In this school, teachers and staff care about and respect my student". • Move the "Select the elementary school grade of your oldest student" to the bottom of the page and put a number on it (also add pre-K next year). • Can the font be larger? • Joleen will make the changes asap and send to the buildings for pre-approval. • Buildings can also have their own survey but the district survey is sufficient. • Parents have been filling out the survey using either school computers or paper during spring parent nights.
